

TO OUR STUDENTS AND PARENTS in regards to AYDT's Fall 2020 semester:

In accordance with NY State's recommendations and regulations on arts & recreational businesses, here are some safety measures and precautions we have implemented for our Fall 2020 dance classes.

- * **SMALL GROUP SIZES** will be strictly enforced!
- * Face Masks will be mandatory for staff
- * Face Masks for students **ages 3 and up** will be mandatory
- * **6 ft separation** practiced on-site
- * **Daily temperature checks**, health screening and hand sanitizing before entering the building for students and staff
- * No students will be permitted to take class if they have cold-like symptoms (i.e. excessive cough, runny nose)
- * Outside drop off and pick up; **the lobby is closed**
- * **Medical grade HEPA air filters** in dance studios and common spaces
- * Disinfecting props and equipment before and after use
- * All common surface areas frequently wiped/sprayed with disinfectant throughout the day
- * **Hand Sanitizer stations** throughout the building
- * Nightly deep clean of entire space with **electrostatic disinfectant sprayer**
- * **HVAC system upgraded** with MERV 11 filters and UV light disinfecting

Please reach out to the AYDT Staff with any questions or concerns you may have. We could not be more excited to be dancing with our students once again!
