

FALL 2022/SPRING 2023 COVID PROTOCOLS

- * **AYDT staff—vaccination is mandatory**
- * **Students—vaccination is recommended but NOT mandatory**
- * Face Masks are optional  / 
- * **The downstairs lobby is open at limited capacity.** If there are no seats available, parents or caregivers will be asked to wait outside.
- * Hand sanitizer required for ALL before entry 
- * AYDT will follow Department of Education and CDC guidelines for quarantine protocols and when to end isolation for students
- * **HVAC system upgraded** with MERV 13 filters and UV light disinfecting
- * **Medical grade HEPA air filters** in dance studios and common spaces 
- * Disinfecting props and equipment before and after use
- * **Hand Sanitizer stations** throughout the building
- * Nightly deep clean of entire space with **electrostatic disinfectant sprayer**
- * **AYDT reserves the right to require the use of face masks on our premises if COVID (or other) infections rise significantly within the community.**

Please reach out to the AYDT Staff with any questions or concerns you may have. We could not be more excited to be dancing with our students once again!
